Firehouse #4

Concrete Driveway Slab Replacement

Bid Posting

June 16, 2025

Central County Fire & Rescue (CCFR) seeks a contractor to provide removal and replacement services for damaged reinforced concrete driveway surfaces and vertical curbs at Firehouse 4, 1259 Cave Springs Blvd., St. Peters, MO. Services will include demolishing and removing failing reinforced concrete driveway slab surfaces and associated vertical curbs, removing unsuitable in-situ base materials, placing and compacting new base materials as needed, and installing a new reinforced concrete slab and associated vertical curbs. Sealed Bids will be accepted between the regular business hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, at Central County Fire & Rescue Headquarters, 1220 Cave Springs Blvd., St. Peters, MO 63376. Bids will be accepted beginning on June 16th, 2025, at 12:00 p.m. Bids received after 12:00 p.m. on July 28th, 2025, will not be considered. Sealed Bids will be opened at the next regular scheduled board of directors meeting at 5:00 p.m. Bids will be reviewed and awarded the following week.

Pursuant to the Missouri Revised Statutes, the Central County Fire & Rescue may award the agreement based on the Request for Proposal. The proposal accepted, if any, will be the proposal determined to be the lowest and the best. CCFR reserves the right to reject any or all Requests for Proposals.

GENERAL INFORMATION

1. Proposals and all attachments shall be placed in a sealed envelope and marked "**RFP Concrete Driveway Slab Replacement Firehouse #4.**" Three copies of the completed RFP shall be provided with each bid proposal.
2. The bid summary sheet on page 4 of this document must be completed.
3. This request is not an offer to enter into an agreement with CCFR. CCFR reserves the right to reject any or all submittals at its sole discretion.
4. Any submittal not prepared and submitted in accordance with the provisions herein may be considered informal and may be rejected. Submittals that modify, limit, or take exception to any condition herein may be accepted or rejected at the sole discretion of CCFR.
5. Central County Fire & Rescue hereby notifies all bidders it will affirm and ensure that any agreement entered into pursuant to this RFP that minority business entities will be afforded full opportunity to submit proposals and will not be discriminated against on the grounds of race, color, gender, or national origin in consideration for the award.
6. For any additional information or to schedule a tour, please request it via email to John LeDoux at jledoux@centralcountyfire.org.
7. The site is a full-time working firehouse. The project will require egress to and from the fire truck bays and parking for eight firefighters at all times and may require phased completion.
8. According to the Missouri Prevailing Wage Statute, RSMo Chapter 290.210-340, all contractors and subcontractors must, at a minimum, pay workers prevailing wage rates as determined by the Missouri Department of Labor and Industrial Relations.
9. According to Missouri statute, RSMo 107.170, the contractor shall furnish CCFR with a bond, accompanied by good and sufficient sureties, equal to the project cost, including insurance for all personnel and equipment working on the fire district property.
10. A successful proposal must show proper insurance for all personnel and equipment working on the fire district property.

SCOPE OF WORK

1. Remove approximately 2,500 square feet of failing concrete.
2. Ensure or remove/replace the rock base with 6 inches of Type 1 aggregate.
3. New concrete must consist of 8 inches of air-entrained 4000 psi Portland cement concrete with 4 x 4 wire mesh reinforcement with a broom finish.
4. Dowel baskets at all saw-cut locations.
5. $\frac{3}{4}$ inch smooth dowel bars at construction joints, 18 inches long with 12-inch spacing.
6. New curbing is needed to match the remaining existing curb that has not been replaced.

EXCEPTIONS

Any exceptions or potential changes should be noted on the "Bid Summary Form" along with detailed explanations. Structural enhancements or cost-saving creative alternatives are welcome as exceptions.
