

Have smoke alarms that work.

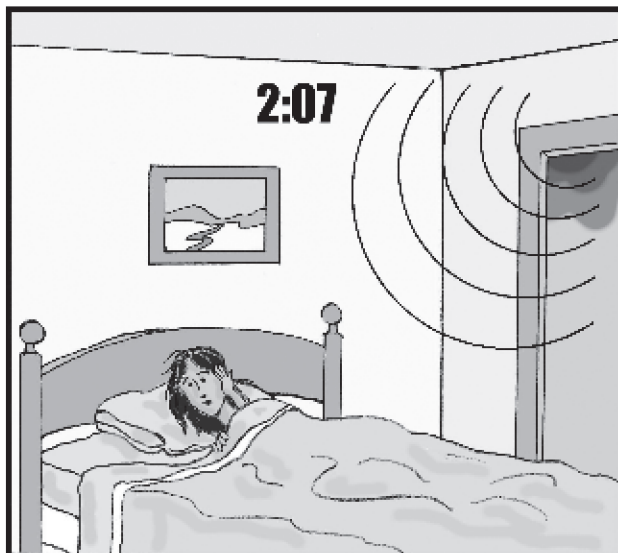

1) A cigarette is burning.

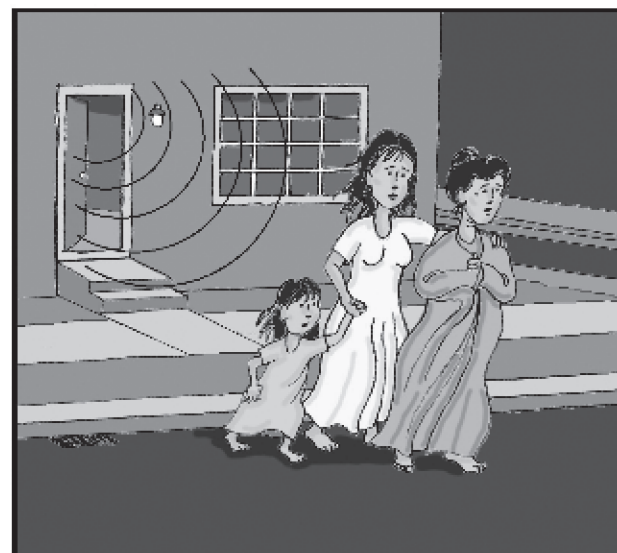

2) The smoke alarm works.

3) It makes a loud noise.

4) It wakes up the people.

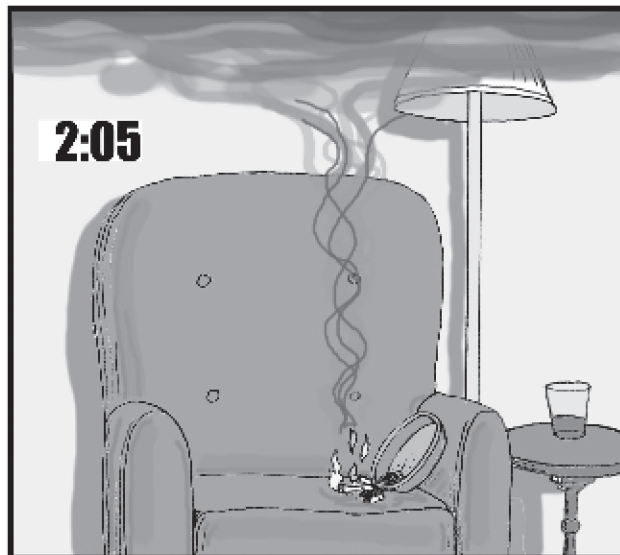

5) They go to the meeting place.

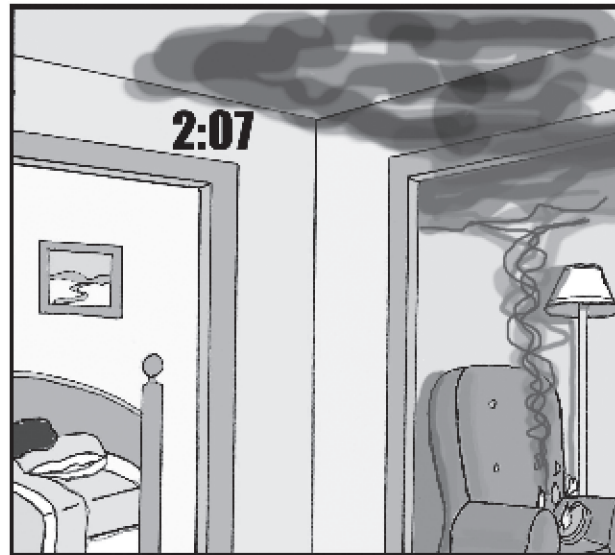

6) They call 9-1-1. They are safe.

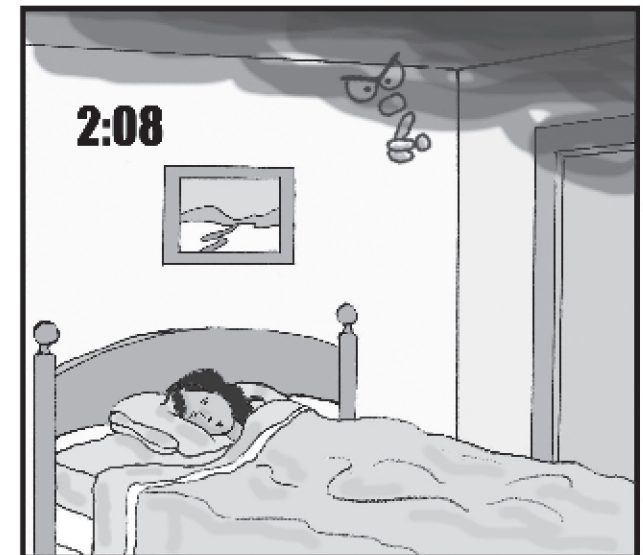

Smoke can kill.

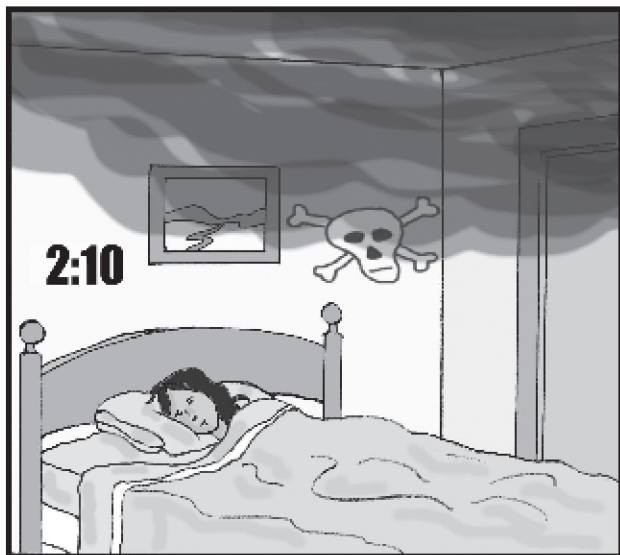

1) A cigarette is burning.

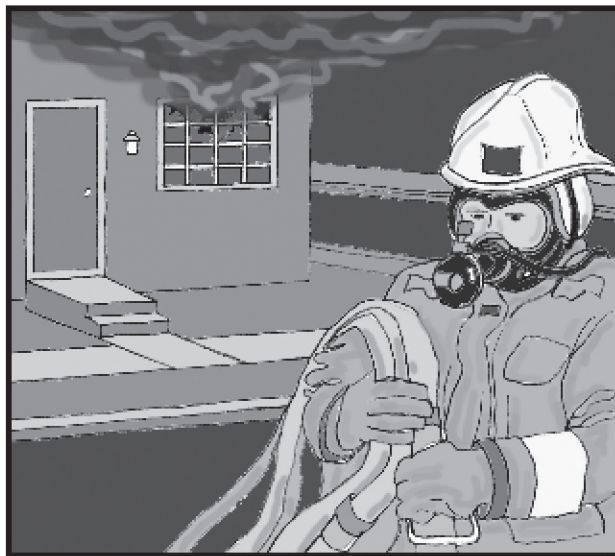

2) There is no smoke alarm.

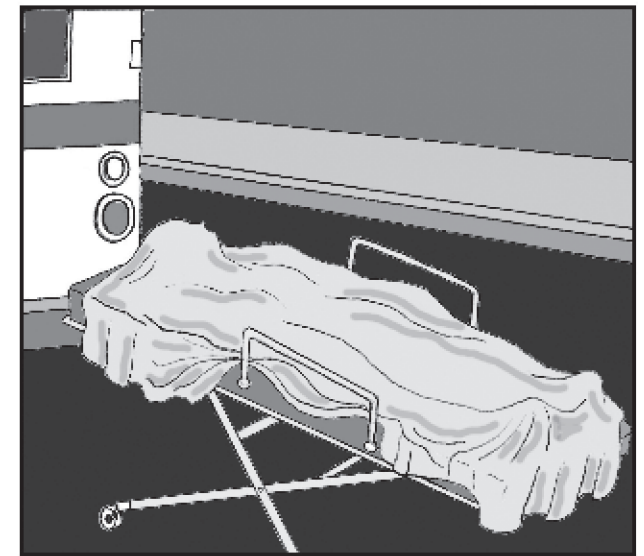

3) Smoke is fast. Smoke is silent.

4) Smoke can kill.

5) The fire is out.

6) But it is too late. She did not make it out alive.
